Intended Goods for Sale:

Please be specific as stallholders may only offer goods for sale that have been approved through this application process. Once accepted to trade at the market any changes to intended goods for sale will require a separate application. We encourage you to provide a comprehensive overview of your product and business as this helps us to make informed decisions. Additional information in support of this application may be provided on a separate sheet. This might include growing plans, certification, ie Biogrow or other organic status certification, attestations, photographs, etc. Please outline in detail what produce or products you are proposing. Please provide images of your products or produce, branding, labelling, packaging and the look of your potential stall.

Use this page to describe your product and state in more detail if needed:
